

JOIN US AT THE 2025 NAPLES NKFF GOLF CLASSIC

The 2025 Naples NKFF Golf Classic founded by **DeVoe Cadillac** is proud to welcome the Grant Thornton Invitational as this year's presenting sponsor. The event will be held on Monday, December 8 2025 on the Championship Gold Course at Tiburón Golf Club at The Ritz-Carlton Naples as a kickoff to the Grant Thornton

Invitational, a nationally televised LPGA & PGA TOUR co-sanctioned event which will be played at Tiburon later that week. The top three finishing foursomes from both the handicap index division and the gross division of the tournament will receive invitations to participate in the NKF Golf Classic National Finals at the magnificent Pebble Beach Resorts in Monterey, CA in January 2026.

All contributions should be made payable to:
Properties with Purpose Charities to benefit the National Kidney Foundation of Florida.

Join us for a full day of golf that will include lunch and post event outdoor reception at Tiburón Golf Club at The Ritz-Carlton, Naples, FL.

Participants will receive a player's package that will include: NKFF golf polo shirt and two (2) daily passes to The Grant Thornton Invitational. Golfers will also have an opportunity during registration to test drive a new Cadillac and receive Titleist Pro V1 premium golf balls compliments of DeVoe Cadillac. The NKF of Florida requests that all golfers follow CDC guidelines and social distance when possible, during registration and the evening reception.

Please review the sponsorship levels in this proposal and join us at the 2025 tournament.

ABOUT THE NATIONAL KIDNEY FOUNDATION

The National Kidney Foundation of Florida, a voluntary nonprofit health organization, recently awarded a 4 star-ranking on Charity Navigator, is dedicated to preventing kidney and urinary tract diseases, improving the health and well-being of individuals and families affected by kidney disease and increasing the availability of all organs for transplantation

One in nine or more than 20 million Americans suffer from kidney disease; most do not even know they are at risk. 95,000 Americans die of renal disease every year. There are more than 95,000 patients waiting for a kidney transplant this year while only 11,000 will receive transplants due to the lack of organ donors. Seventeen people on the transplant waiting list will die every day. Currently the National Kidney Foundation of Florida spends 84% of all revenue generated by these golf events on patient services and programs including organ donation, renal transplantation and direct aid to those patients in need.

Your favorable consideration of this proposal is greatly appreciated.
